Vestige-Seattle Plant Rules and Receiving Procedures

Address: 5400 West Marginal Way SW, Seattle, WA 98106

PLANT RULES

1. 5 MPH SPEED LIMIT IN ALL AREAS
2. Required Personal Protective Equipment (PPE) must be worn at all times while on property. This minimally includes:
 - Hard Hat
 - Steel-toed shoes/boots
 - Safety glasses
 - Hi-Visibility Gear
 - Hearing Protection as needed
 - Gloves
3. NO use of truck wash
4. Back up alarms required on trucks or a spotter
5. Trucks **must** be clean of debris before leaving discharge location
6. Trucks must honk horn prior to moving in the yard
7. Wheel inspection to prevent track-out

RECEIVING PROCEDURES

1. Upon arrival, obtain a gross weight from the designated scale
2. Take the **Material Load Form** to Vestige for check-in
3. Follow the discharge instruction on the **Material Load Form** and proceed to the discharge area.
4. Once off loaded, proceed to the truck scale for final weigh.

AN ORIGINAL MATERIAL LOAD FORM MUST ACCOMPANY ALL LOADS!

If you have any questions regarding any information on this form, the discharge location or if you need additional forms, please contact Randy Perkins at the number below.
